

The background of the advertisement is a close-up, low-angle shot of a clear plastic water bottle being poured. The water is captured in mid-pour, creating a dynamic, flowing stream that curves from the bottle's opening towards the left. The lighting is soft and diffused, highlighting the textures of the plastic and the clarity of the water. The overall color palette is a mix of light blues, greys, and whites, with a subtle bokeh effect in the background.
